Does your child struggle with school work? It might be because he or she learns differently. LDA Learning Center, a leader in discovering abilities, can help.

LDA Learning Center has been in operation for over 30 years. Located in Minneapolis, LDA Learning Center helps kids who have difficulty with learning, to make the necessary connections to success. LDA offers one to one, and small group tutoring taught by professional teachers specifically trained in the area of learning disabilities and related learning difficulties.

Call 952-922-8374 for more information.
